Solent Mind makes a huge difference to the lives of people living with mental health issues in Hampshire.

Over the last year, we have supported more than 40,000 people in the county through our wellbeing centres, talking therapies, support line, counselling, employment and advocacy services, schools' projects, gardening therapy, dementia groups and crisis drop-in centres.

Every year, one in four of us will experience a mental health problem, but hundreds of thousands of people are still struggling. That's why we won't give up until everyone in our community experiencing a mental health problem gets support and respect.

We are an independent charity and rely on the generous support of individuals and businesses in order to continue our vital work.

Solent Mind – for better mental health in Hampshire.

Win up to £25,000 and support our cause with **unity**

Every week you have the chance to win the £25,000 **Unity** jackpot plus many other fantastic cash prizes, and at the same time you're helping us raise funds to support our work. The more people play the more money we receive, so we need your support. For every £1 entry - at least 50p comes directly to us as profit.

How it works

The draw takes place every Friday and each entry costs just £1. When you join our lottery you're allocated your own 6-digit **Unity** lottery number. A random winning number is drawn - the aim is to match the winning number.

IF YOU MATCH...

- 6 digits you'll win £25,000**
- 5 digits you'll win £1,000**
- 4 digits you'll win £25**
- 3 digits you'll win 5 Entries into the Next Draw**

A match occurs if your digits are in the same place in the sequence as they are in the winning number...

EXAMPLE

325764 - random winning number
326574 - your lottery number
 [This is a 3-number match, winning 5 entries into the next draw]

All winners are notified by post; cash prizes are posted by cheque and prize entries entered automatically into the next draw, so you can't miss out!
