

Solent Mind - Job Description

**Job Title: Wellbeing Assessor
(Totton Primary Care Network)**

Purpose: Solent Mind is a partner in the new Primary Level Mental Health Service covering Totton Primary Care Network comprising New Horizons (formerly Forestgate and Totton Heath Centre) and Testvale GP surgeries. This service will enhance the support which GP practices are able to offer their patients with a range of mental health issues through a collaborative and integrative approach.

The Wellbeing Assessor will be a key member of a team which will comprise a GP Clinical Lead and have direct input from psychological services, peer support and social prescribing together with support from specialist mental health and adult social care services.

The Wellbeing Assessor will see people on an individual basis to understand their current situation and to identify the most appropriate support for them.

Reports To: Wellbeing Manager / Head Of Wellbeing

- To meet with patients on an individual basis to monitor agreed plans and progress towards achieving identified goals.
- To help patients develop tools and strategies which will enable them to better manage their own mental wellbeing.
- To provide information which promotes mental wellbeing and to contribute to health promotion activities across the network.
- To attend meetings of the multi-disciplinary primary level mental health team which will focus on the most appropriate support for individual patients.
- To record progress on patient records using the EMIS (or equivalent) system in line with GP practice/NHS IT Policy and Procedures and Solent Mind Policy and Procedures.
- To encourage patients to access facilities, groups and other resources within the local community.
- To share with other staff within the primary level mental health service and other agencies as appropriate information regarding the patient's wellbeing in line with Solent Mind policies and procedures.
- To gather feedback from patients via questionnaires and face-to-face discussions as appropriate.
- To attend relevant meetings related to the provision and delivery of the Primary Level Mental Health Service and to feedback relevant information.
- To participate in supervision and annual appraisal meetings and to attend Solent Mind meetings as appropriate.
- To attend relevant training opportunities and workshops in line with identified development needs.
- To contribute to the development and improvement of the Primary Level Mental Health Service.

Internal and External Liaison

- Share appropriate information under Solent Mind's Confidentiality and Risk Assessment Policy.
- Develop and maintain good working relationships with other staff within the Primary Care Network.
- Develop links and maintain good relationships with local community organisations.

General

- To uphold the aims and values of Solent Mind.
- To contribute to the ongoing development of the service and to best practice.
- To work within Solent Mind policies and procedures and to complete all necessary training.
- To maintain up to date knowledge of legislation, national and local policies and issues in relation to both mental health and Primary Care Services.
- All employees have a duty and responsibility for their own health and safety and the health of safety of colleagues, patients and the general public.
- All employees have a responsibility to prevent abuse and neglect and report concerns.
- All employees have a responsibility and a legal obligation to ensure that information processed for both patients and staff is kept accurate, confidential, secure and in line with current Data Protection legislation and Security and Confidentiality Policies.
- Undertake not to abuse their official position for personal gain, to seek advantage of further private business or other interests in the course of their official duties.
